

Dear Prospective Sponsor of the Morristown Bands & Guards,

As we close up yet another very successful school year, we are very proud of what the students in the Program have accomplished in a short amount of time. There were so many new and wonderful things that happened, but none of them would be possible without the generosity of our sponsors. Our budget for 2018 – 2019 was one of our largest yet, and thanks to our sponsors and your support we were able to fund all of it! The expectations continue to rise for our students and we look forward to another tremendous year in 2019 – 2020. Below are a few of the successes that were earned this year.
